Klimt: The coloring book Dominique Foufelle, Isabelle de Couliboef

In Vienna at the turn of the 20th century, Gustav Klimt rebelled against the stodgy realism of academic art and began producing the richly patterned, gold-leafed images for which he is recognized today. Unabashedly sensuous, with abstracted symbolism, lush visual texture, and expressive female figures, his works were often scandalous in his day, yet remained enormously popular. This book presents 20 masterworks by Klimt—including The Kiss, Portrait of Adele Bloch-Bauer, Judith I (Judith and the Head of Holofernes), The Virgin, and Mada Primavesi—that have been re-interpreted as line drawings to color or paint your own way. More than just a coloring book however, it offers a brief profile of the artist, his career, and his techniques, and each drawing is accompanied by a large color reproduction of the original art and a detailed caption. The book also provides basic advice and tips for using watercolors, gouache paint, or colored pencils.
