My Brain Hurts (Comix) Liz Baillie

A group of teenage queer punks get in perpetual trouble with the police when they aren't flirting over loud music or postering their high school with flyers to allow same sex couples at prom. It's like they were your actual high school peers - pissing off the administration and taking care of each other when they get beat up by skinheads. Liz Baillie has a real talent for dialogue, characters, storytelling, and capturing New York - especially those moments that we all live, awkwardly making out, pulling pranks, and drinking beer. This graphic novel collects the first five (out of 10) issues of the comic *My Brain Hurts*.
