Excerpt from The Coasts of Devon and Lundy Island: Their Towns, Villages, Scenery, Antiquities and Legends

It is not a guide book. The reader will not find a list of the most desirable hotels; there are no statistics about population; and he must seek elsewhere for information anent the arrival and departure of the mail. This work pretends to none of these things. It is only a guide book in that it is an account of scenes and places along the Devonshire seaboard, the result of a walk, or rather of a series of walks, over the cliffs of the fairest county in the west.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
